Committee reports

Crime

Vince – First rebalancing of police load will probably result in increased presence in our area. More recruiting and a new \$5K bonus. The Philly Cheese Steak shooting is prompting a safety forum. Elliott Street shooting victim might have been a Street Soldier participant. Possible cop shop at 23rd at Union.

Outreach

Deb wasn't there to talk about the Newsletter, but Maura says things are progressing for the next issue. Bill gave a report about the Jackson Street Community Association meeting about Casa Latina.

Talked about attracting and engaging more people in the neighborhood.

Land Use

Bill gave an overview of the latest on the Goodwill project, and also told us about a possible joint Squire Park/JPCC meeting on the subject.

St. Mary's food bank

There have been lots of problems arising from the food bank – trash, defecation. Jill: Let's invite St. Mary's representatives to a board meeting. Jutta: Can they have someone do a clean-up? Bill: Can we possibly use Casa Latina for this? Jutta: St. Mary's has been responsive in the past. Jill will follow-up.

Recreating the greater Judkins Council

There is a possibility that Colman Neighborhood Association will disband; Is this a good time to recreate a larger group? Vince: CNA will meet on Saturday to figure out what to do. Bill will talk to them.
