Review Action Items from January meeting

******* Ryan still needs to contact 20th and Jackson mini-mart owner.

******* Johnny still needs to update the bulk mailing permit address.

******* Paul did not setup a Land Use meeting.

All other actions were accomplished.

Treasurer's Report

Current balance is \$2956.00. Current Board are now listed on our bank accounts.

Quarterly Meeting Planning

Try to get Sally Clark and/or Tom Rasmussen.

Date is 3/22 at Artspace. *** Ryan will call Artspace to arrange.

June 14th at Hiawatha.

Honkfest

Bringing 23 bands together on Saturday April 10th. Bands converge on Washington Hall and Bailey Gatzert. Concept is that more than professionals can enliven their communities.

*** Johnny will put the flyer and/or information on the website.

Street Car Discussion

Ethan Malone made a presentation to the transportation committee on the 3 options. The 12th Ave alignment is getting attention because the community asked for it.

BB: Has begun to think that the whole thing is a boondoggle, a fix to the original sin of not locating the ST on First Hill. It's not really serving Chinatown, for example. Capitol Hill wants a streetcar from Aloha to Seattle University. In short, it's a dumb, expensive (\$120 million) project.

Big brainstorm on alignment.

*** Bill and Ryan will write a letter of general support for the Streetcar, but with a strong call for a Jackson Street spur

March Cleanup

Starts at 10:00am. Meet at Café Weekend. Will get tools and support from Ted Divina. One person to work with Casa Latina. Oksana wonders who will do management or coordinating. We will meet at Hiawatha. *** Margo has agreed to coordinate that day; will bring maps. BB: Let's do a BBQ or end-event.

Poster boards. Email.

Traffic Improvements at 20th and Lane

Ryan not happy with SDOT proposal to spend \$20K to put a bulb. A lot of money for not a particularly good solution. We should lobby for a stop sign. Susan Rose thinks that Giddens School parents might want to help.

*** Johnny said he would contact Theresa Capsar

*** Bill will get in touch with Giddens, MLK, and St. Mary, Safe Walks in School.

Open Discussion

Meeting adjourned at 8:35; Next board meeting 3/2; Next Quarterly Meeting at 1/11 at Artspace Hiawatha Lofts
